

KOLI'S KIDS CLUB

Class is held on Sunday mornings for local children.

In the Summer (June, July & August) Kids Club held at 8am and rest of the year at 9am.

This is a progressive class that teaches children all about the saddle, grooming & saddling of the horse, mannerisms of the horse, as well as western style riding. Children start off in a confined arena to get comfortable on a horse then progress to a regular trail ride.

Single Classes are \$50 per child for the 90 minute session

This option works if you bring child out just for one to five times per year

Yearly Membership is \$100 per child and each 90 minute session is \$35 per child/session thereafter

This is a great offering if you will bring the child out for lessons more than 5 times a year

Each session is broke into 2 – 3 parts depending on the progression of the child. The first 30 minutes is instruction on the ground. The next to get a comfortable a seat on the horse in the arena then end with a short trail ride.

Children must be at least 6 years old. Jean or pants and closed toed shoes are best for the children's comfort and safety.

You can book your child for the class online at www.koliequestrian.com or if it's less than 24 hours, then you must call 602-796-3495 to make a reservation for the class.

Please do not just show up at the center as we will not be prepared to have classes without notification. Classes are created based on Kids Club reservations. Thank you for your advance planning.
